Lessons From a Donkey

Matthew 21:1-9; Zechariah 9:9

Pastor Bobby Garvin

Lessons may be defined as, "an amount of _____ given at a specific time; a period of learning or teaching."

Principle # 1: We need to be _____! (Vs. 1-2)

The word accessible means, "In a place where one can be _____, obtained, understood, appreciated, or approached..."

Being accessible is to be in the right place, at the right time... It's being rightly _____ so that one can be used...

Principle # 2: We need to be _____! (Vs.3-5)

The word available means, "Able to be used or obtained; at someone's disposal; free and/or willing to do something..."

Accessibility is being at the right place, at the right time...

Availability is being willing to be used once you are _____...

Principle # 3: We need to be _____! (Vs. 6-7)

The word accommodating means, "fitting in with someone's wishes or demands in a helpful way **by changing his or her** _____; willing to help you out; it's used to describe those who are _____ willing to make small adjustments; be cooperative..."

Accessible is being at the right place, at the right time—Available is to be willing to be used - Accommodating is to cooperate or "act right" when you are used...

You (the donkey belong to Him) as you become accessible, available, and accommodating.

Am I accessible? Am I available?

Am I accommodating?
