**Key Truth:** In A Crisis, live by \_\_\_\_\_, not fear!

**Principle # 1:** God not only wants us to \_\_\_\_\_ but thrive.

**Principle # 2:** Do not let the \_\_\_\_\_ become a source of fear (II Timothy 1:7).

**Principle # 3:** Not only is God with you, He has gone \_\_\_\_\_ you  
Deuteronomy 31:8-9; 1:30; Psalm 139:5).

**Principle # 4:** He has a plan ready and \_\_\_\_\_ for this church (Jeremiah 29:11).

**Principle # 5:** The pandemic was a \_\_\_\_\_ call like none before (Romans 13:11).

**Principle # 6** This new era is an \_\_\_\_\_ to make the necessary positive  
changes to move Grace Chapel forward (Ephesians 5:15-16).

**Principle # 7:** When times are normal, leaders inspire \_\_\_\_\_.

**Principle # 8:** When times are disruptive, leaders provide \_\_\_\_\_.

**Principle # 9:** Patterns are hard to \_\_\_\_\_ (Romans 7:14-20).

**Principle # 10** Change builds but then \_\_\_\_\_ us.

**Principle # 11:** Leaders play a \_\_\_\_\_ role in change (Acts 20:28; I Peter 5:1-4).

**We are to stand on the unchanging principles  
of God's Word and we are to adapt our  
methods to a fast-changing world.**
