**Key Truth: Stand strong on the unchanging principles of God's Word.**

**Key Truth: Adapt our methods to a fast - changing world ( I Corinthians (9:19-23; I Corinthians 19:33)).**

**Principle # 1:** Reestablish the Biblical essentials (II Timothy 4:1-4).

**Principle # 2:** Emphasize discipleship and leadership training (Ephesians 4:11-12).

**Principle # 3:** Reduce your bills (Matthew 6:21).

**Principle # 4:** Rethink our building. (How we use it; When do we use it)?

**Principle # 5:** Work with strategic partners. (POLICE)

**Principle # 6:** Engage our Community.

**Principle # 7:** Emphasize Jesus over tradition, denomination, or building , or politics, or.....(Mark 7:1-9).

**Principle # 8:** Restructure what needs to be restructured.

**Principle # 9:** Make disciples, not just converts.

(Converts join a club. Disciples start a movement. Converts follow traditions. Disciples follow Jesus. Converts change their minds. Disciples change their lives. And other people's live).

**Principle # 10:** Figure out why Grace Chapel should survive.
