

# **Praying for a Breakthrough**

**(Jeremiah 29:13; Daniel 9)**

## **What is a breakthrough?**

A breakthrough is when God supernaturally intervenes in a problem, or a relationship or a situation that you have been facing, often for a very, very, long time.

- **Let God speak to me before I speak to Him (Daniel 9:2).**
- **Focus my attention on God (Daniel 9:3)**
- **Express my desire with emotion (Daniel 9:3, 4)**
- **Demonstrate my seriousness (Daniel 9:3)**
- **Thank God for His love and promises. (Daniel 9:4, 9)**
- **Humbly confess my sin (Daniel 9:5-10, 18, 20-23)**
