

Small Churches, Big Potential

Mark 4:30-34; Matthew 13:33

Pastor Bobby Garvin

Key Truth: Small Churches have Big Potential.

It is impossible to balance “come as you are” with “stay as you are.”

Smaller does not equal second rate.

Hidden Potential (Matthew 4:30-34; 13:33)

Bigger is not always better.

Small Church, Great Impact!

We need to see the small church as Jesus does. We must value the mustard seed, cast the seed, and trust God for the harvest.

Seven Reasons a Small Church is needed

Small churches are the most normative way Christians grow.

Small churches are the most frequent way Christians gather.

Small churches are the most sustainable way Christians grow.

Small churches are the most leadable way Christians gather.

Small churches are the most cost-effective way Christians gather.

Small churches are the most movable way Christians gather.

Small churches are the most durable way Christians gather.

Conclusion: I am a happy small church pastor and God is using and will continue to use our small church for His glory and Honor.
