Characteristics of a True Worshipper

7. Unnoticed Worshipper (Luke 21:1-4)

Principle: Blessed is he who learns to play the second violin well.

Principle: God is always far more interested in the hidden and the private (Luke 21:1-4; Matthew 6:1-4).

Principle: God seeks devotion to Him in the hidden place – worship when no one else is watching.

Principle: God constantly reminds us to check the motives of our hearts.

Principle: Praise is a contradiction of pride.

8. Undivided Worshipper (Psalm 86:11).

Principle: The challenge for undivided worshippers is to keep their eyes fixed on Jesus.

Principle: “Give me an undivided heart” are five important words to pray.

Principle: Sometimes the things that pull us away from the feet of Jesus are in themselves good things.

Principle: A good thing becomes a bad thing when it takes the place of God.

Principle: Simplify my life.
