### **Characteristics of a True Worshipper**

#### **9. Unsatisfied Worshipper (Psalm 103:5)**

**Principle:** The Bible reveals a God who \_\_\_\_\_ our desires with good things (Psalm 103:5).

**Principle:** Worship does not \_\_\_\_\_ our hunger for God – it wets our appetite.

**Principle:** The more we see of Jesus, the more we know there is still so \_\_\_\_\_ to be seen.

**Principle:** Worship often creates as many \_\_\_\_\_ as answers.

**Principle:** Every \_\_\_\_\_ of Jesus, wonderful as it is, is just a drop in the ocean.

**Principle:** The most meaningful song to me will be the one my heavenly Father \_\_\_\_\_ over me (Zephaniah 3:17).

**Principle:** God has made it clear that worship and helping others is \_\_\_\_\_.

### **Three unresolved tensions of the heart**

- First, we have merely \_\_\_\_\_ the glory of God – a few small drops in the ocean of His splendor. We live with a constant \_\_\_\_\_ for more of Him in our lives.
- Second, we live in the \_\_\_\_\_ that we are a broken people, healed in part, yet still fragile. We are \_\_\_\_\_ worshippers longing to be whole.

- Lastly, we exist as \_\_\_\_\_ in a foreign land, painfully aware of the troubles that surround us and the many lost \_\_\_\_\_ who have not discovered Jesus. Looking through the lens of \_\_\_\_\_, our hearts ache to usher God's kingdom into these situations.

#### **10. Unending Worshipper (I Corinthians 13:12)**

**Principle:** We can worship and \_\_\_\_\_ Him now and forever.

**Principle:** An \_\_\_\_\_ with Jesus in our sights reveals us all as unending worshippers.
