

# **Moses, Is Anything Too Hard for God?**

## **Exodus 3:7-14**

**Pastor Bobby Garvin**

**Key Truth: There is nothing too hard for God!**

**Principle # 1:** When I was **worried**, God provided **power** (Exodus 3:11-22)

The question is not “Who am I?” The real question is “Who is God?” He is the “I am!” (Yahweh)

**Principle # 2:** When I was **wondering**, God provided **proof** (Exodus 4:1-20)

The rod was the “rod of God” (Exodus 4:20).

Do what you can with what you have!

**Principle # 3:** When I was **walking**, God provided a **path** (Exodus 14:1-31)

Keep moving forward and He will direct your path (Exodus 14:15).

Take another step He will **part** the waters for you (Exodus 14:21-25)
