

SURVIVOR 5: How to Make the Right Alliances

Philippians 2:19-22

Pastor Bobby Garvin

Key Truth: We all need friends; an alliance or an inner circle.

Principle # 1: An ally really cares about other people, especially other believers. (20b)

Principle # 2: An ally puts the interest of Christ above their own. (21)

Principle # 3 Allies are proven, faithful servants of Christ. (22)

Action Steps

1. Evaluate the personal alliances in your life.
2. Make a list of the five people who are closest to you.
3. Determine if they have all of these qualities in their lives.
4. Decide if you need to make any changes in your personal alliances.
5. Look around the church ... seek out some new allies to invest your life in.
